

3rd October 2018

Dear Parent / Carer,

We have been impressed with the mature and positive start Year 11 have made in their final year at Bower Park. This letter is to notify you of two key upcoming dates for our Year 11 students.

Wednesday 17th October 6pm – 7.30pm College Transfer Evening

On this evening, we will be giving information regarding the courses your children are studying and revision tips. You will also have the opportunity to purchase revision guides so you can support your child's study and revision at home.

In addition, Havering 6th Form College and Havering College of Further and Higher Education will be giving presentations about the courses they offer and the admission requirements for these courses. This information will be vital in helping your child decide what they do at the end of Year 11. A range of other sixth form colleges and further education providers will also attend and you will have an opportunity to talk to them after the presentations.

We want to support you and your child as much as possible in making the correct choices for them about their future and attending this event is an excellent way to start those initial conversations and spark their interest. If you have any additional questions about post 16/careers then please contact porter@bowerpark.co.uk

Wednesday 28th November 3pm – 6pm Year 11 Parents Evening

Attendance at this event is essential for all Year 11 students and their parents. Parents' evening will give you the opportunity to meet with all of your child's teachers to discuss their progress, predicted grades and targets to ensure your child meets their full academic potential this year. Appointment sheet will be sent out nearer the time. If you have any concerns before then please contact the office to arrange a meeting with your child's teacher, support and guidance manager or director of learning.

I look forward to seeing you on **Wednesday at 6pm.**

Yours sincerely,

Mrs K Porter (Careers Lead)
