

Dear Parent/Carer

Activity Week: 15th – 19th July

As mentioned in the spring newsletter, this year we are launching an activity week involving all students. Students will have the opportunity to tackle a range of challenges, learn new skills, develop the LORIC attributes, become more independent as learners and build cultural capital.

Activities will include:

- **London trip:** A day discovering London and visiting a museum
- **Bower Park CSI:** a series of linked activities including an escape room, mastering an illusion, culinary exploration and forensics.
- **Education without Borders:** exploring our Erasmus project countries and project themes through outdoor learning.
- **Krypton Maze:** A range of physical and mental challenges culminating in an inflatable assault course.

The week will conclude with the **whole school celebration assembly** on Friday 19th July. Students will be dismissed on this day at 12.30 pm. There will be an extended break when the canteen will be open for those students who require lunch or are entitled to free school meals.

In order to include a range of activities we are asking parents for **a contribution of £10.00 per child** payable via SCOPay by Friday 21st June 2019.

Nearer the time, students will be issued with a timetable, detailing which activities they will be doing on which day and whether uniform or non-uniform is required.

This is an excellent opportunity for students to apply their learning and embrace new challenges.

Thank you for your support.

Yours faithfully,

Mrs H Stannard
Vice Principal
