

Dear Parent/Carer

BOWER PARK ACADEMY – PROPOSED EXPANSION CONSULTATION

Over the past year, Bower Park Academy has become increasingly popular with parents as their choice of secondary school. For next September, we have been asked to take an extra class into Year 7 as nearly 200 parents chose Bower Park as their first choice.

Consequently, we are now consulting with parents to expand our numbers to 210 for all future intakes. If the expansion goes ahead, this will also generate funding to help refurbish the school.

Please see the attachment and the link to the online survey:

<https://consultation.havering.gov.uk/education/bower-park-academy-expansion-consultation/>

If you choose to complete a hard copy of the questionnaire, this should be returned to the school office

The consultation closes on 24 May 2019.

Regards

S W McLaughlin
Principal
